PRODUCT FEATURES

7-INCH VINYLIZED JOG

Get hands-on with an interface designed to emulate a professional but portable battle setup of 2 x PLX turntables and a DJM-S series mixer.

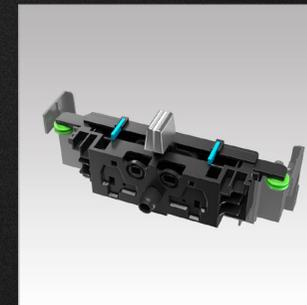

INSTANT SCRATCH

The DDJ-REV7 has 4 built-in original scratch samples that you can trigger instantly by pressing the corresponding hardware buttons.

VINYLIZED JOG: FEELING ADJUST

The new 7-inch motorized jog wheel features the same rotational stability as a 12-inch turntable and the top plate is finished with a vinyl-like texture, so it feels like you're playing with real records.

MAGVEL FADER PRO

Scratch with style and confidence. As well as being highly robust, the MAGVEL FADER PRO is customizable with various settings to help you find the feel that's right for you.

ON JOG DISPLAY

In the center of each jog wheel, a 3.5-inch LCD keeps important information at your fingertips. You can easily reference waveforms, Hot Cues, playback positions and more.

22 BUILT-IN BEAT FX

Add drama to your track transitions with the 3 brand-new Beat FX: Duck Down, Fill Out, and Helix Out. In total there are 22 Beat FX, which you can trigger with the dedicated controls.
